

Regional Property Manager

London

£62,000 to £66,000 package plus benefits

Summary of position:

- Award winning firm of Property Managers
- Key role overseeing the running of some large developments
- Expanding firm who can offer further progression
- Flexible/home working

Job details:

We have a new and exciting position for a Regional Property Manager with a good client of ours. They are an award winning firm overseeing a substantial portfolio of residential blocks and estates across many parts of the UK. Due to continued expansion, they are now looking for a Regional Manager.

You will have full operational management of 3 large developments in London, this is an exciting role where you will be involved in some fairly new, mixed-use schemes overseeing the day to day running of the sites along with the management of on-site Estate Managers. This is a varied role encompassing service charge budgeting, client and resident liaison, overseeing H&S, ensuring the buildings are safe and well-presented and managed effectively.

We are looking for someone with significant experience in block management ideally with experience in managing staff. Ideally you will be IRPM qualified and looking for a firm where you can progress your career further.
