RECRUITMENT

Senior Property Manager

London, City

£50,000 - £52,000

Summary of position:

- Management of 2 super prime residential developments
- 5* hotel level service
- Scope for progression

Job details:

We have a new and exciting position available for an experienced Property Manager (senior property manager) with a client based in the City.

They are seeking a highly experienced individual to manage two super prime residential blocks offering a 5* service to residents. The two sites equate to around 300 residential units and cover two sites close to the City. They are looking for this person to spend much of their working week at the developments ensuring an exceptional level of service, liaising with residents, service charge budgeting, overseeing works and contractors, ensuring the site is immaculately presented.

We are looking for an experienced block manager with at least 5 years' experience, you should be AIRPM/MIRPM qualified and have dealt with the management of high-end residential blocks. An excellent salary and benefits package is available to the successful person. Please forward a full CV in the first instance.
